

Jackson O. Igbinosun, a dynamic leader and entrepreneur, is the President & CEO of AfriCanada Commerce Exchange Inc., AfriCanada Economic Summit Group and AfriCanada Economic Development & Culture. These Canadian corporations are testament to his commitment to fostering trade, business, and investment cooperation between Canada and Africa. With a deep passion for Africa's socioeconomic growth, Igbinosun is a trailblazer in seeking innovative ways to support development across the continent.

He is known for his tenacious entrepreneurship and strategic approach to business development and project management consultancy. Igbinosun's role extends into prominent business leagues, evidencing his influential presence in the African diaspora business community in Canada. His distinguished membership in the African Diaspora Business Leaders League underscores his leadership and dedication to community advancement.

Igbinosun's dedication to enhancing socioeconomic ties between Canada and Africa is further exemplified by his involvement in organizing the AfriCanada Economic Summit. This event is a significant platform that convenes industry experts, academia, and key economic players to discuss and strategize on powering Africa's future through cleatechn and renewable energy sources. The summit aims to address Africa's energy crisis, where a significant portion of the population lacks reliable electricity, and seeks to draw on Canadian expertise and innovation in clean technology to help light up the continent.

Jackson O. Igbinosun, through his pioneering work with the AfriCanada Commerce Exchange Inc., has not only spearheaded transformative business and trade dialogues but also captured the attention and endorsement of global leaders. The AfriCanada Summit, a brainchild of his visionary approach, has resonated powerfully within the international community, drawing VVIP messages of support from esteemed personalities across Canada and Africa. This recognition underscores the summit's impact and Igbinosun's influential role in shaping a collaborative future between the continents. His initiatives have transcended beyond immediate economic interests, signaling a beacon for sustainable development and a testament to the power of shared vision and collective action.

The Climate and Environment division of the City of Toronto recently named Igbinosun a Neighborhood Climate Action Champion.
